

The Tech Tonic respects your privacy and is committed to protecting it through our compliance with this privacy policy. This policy describes:

- [The type of information that we may collect from you when you access or use our application “Alcobrew SFA” and our practices for collecting, using, maintaining, protecting and disclosing that information.
- [This policy applies only to information we collect through our services, in email, text and other electronic communications sent through or in connection with our services.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. If you do not agree with our policies and practices, your choice is not to use our services. By accessing or using our services, you agree to this privacy policy. This policy may change from time to time, your continued use of our services after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

The information we collect and how we use it

The Personal Information or Sensitive Personal Data or Information which you may provide to the platform and/or which we may collect as part of the information provided is or could be the following:

Your registration details which may include the Name, Email Address, Mobile/Contact Details, Age, Gender, Password, Location, Pin Code, Area Code, Occupation, provided by you, your comments or other content that you publicly post or share on the application. If you access or engage with the application or services associated with the application through a social media service, we may collect your User ID or User Name, any information you have permitted the social media service to share with us, and any information you have made public with the social media service.

Our primary purposes in collecting information including Personal Information or Sensitive Personal Data or Information from you is to allow you to use the application and various features and services on or in relation to the application. We may also use the Personal Information or Sensitive Personal Data or Information provided by you or collected by the platform for content recommendations, transactional emails or to provide you with information, direct marketing, online and offline advertising and other materials regarding products, services and other offers from time to time in connection with the platform or its parent, subsidiary and affiliated companies (“Platform Entities”) and its joint ventures.

Information Sharing And Disclosure

Platform is the recipient of Your Personal Information or Sensitive Personal Data or Information and shall exercise reasonable commercial endeavours for the prevention of unauthorized disclosure of the Personal Information including any Sensitive Personal Data or Information provided by the users. We may enable access of Your Personal Information or Sensitive Personal Data or Information to the platform entities, joint ventures, business partners, agents or third parties for the purposes of the services provided by them or for any other marketing related activity undertaken by or on behalf of the platform entities and/or its joint ventures, and/or for the purposes of enhancing the quality of the services provided to you on the application, and you expressly consent to the same.

Email Policies

Platform may use Your Personal Information or Sensitive Personal Data or Information for the

purposes mentioned in this Privacy Policy. You have full control regarding which emails you want to receive. If you decide at any time that you no longer wish to receive such communications from the platform entities , please follow the unsubscribe instructions provided in any of the communications. Please note that once we receive your request, it may take an additional period of time for your opt-out to become effective.

Data Security

We understand the importance of data security and we want your user experience with us to be as safe as possible. We have implemented reasonable safeguards and precautions to protect Your Personal Information or Sensitive Personal Data or Information, including technical and organizational measures against unauthorized access, improper use, alteration, unlawful or accidental destruction, and accidental loss, both in an online and offline context.

We have adopted reasonable security practices and procedure and we maintain technical and organizational security measures and procedures to protect the security of your Your Personal Information or Sensitive Personal Data or Information, which are consistent with measures used by other similar applications.

Please understand that, while we strive to protect Your Personal Information or Sensitive Personal Data or Information against potential risks and exposures, there is no absolute security in the online sphere. Hence, we ask you to support our IT security efforts by not disclosing any of Your Personal Information or Sensitive Personal Data or Information data on our application that is particularly sensitive or not required in the specific context. Furthermore, you can help us protecting your personal data by signing off when you finish using login-protected areas of the application.

Data Retention

We retain Personal Information or Sensitive Personal Data or Information only for as long as we believe it to be necessary for purposes set out herein for which the Personal Information or Sensitive Personal Data or Information was collected, subject to any legal requirements for the data to be retained for longer periods of time.

Deleting Your Information

If you wish to have the Personal Information or Sensitive Personal Data or Information that you have provided to us deleted, you can always do so by sending a request to us on the e-mail id provided at the bottom of this page. You may note that deletion of certain Personal Information may lead to cancellation of your registration with the application and/or your access to certain features of the application can be restricted and may also lead to complete cessation of your access to the application.

We are concerned about safeguarding the confidentiality of your information. Platform uses commercially reasonable security practices and procedures designed to help keep your Personal Information or Sensitive Personal Data or Information safe. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our application.

Your information may be transferred to or may be maintained on computers, computer systems and computer resources located outside of your state or country where the privacy laws may be different as those where you live. If you are located outside India and choose to provide information to us, please

be aware that the application is hosted in India and that platform keeps or transfers information to and from India for storage and processing. Your submission of such information represents your agreement to that transfer.

Unfortunately, the transmission of information over the internet is not completely secure. Although we strive to protect your personal data, We cannot guarantee the security of your data while it is being transmitted to our application; any transmission is at your own risk. Once we have received your information, we have commercially reasonable procedures and security practices in place to reasonably endeavour to prevent unauthorized access.

Changes In Privacy Policy

The Tech Tonic reserves its right to revise this privacy policy from time to time at its sole discretion.

Your continued use of our application and the services constitutes your acceptance of the then-current Privacy Policy and Terms of Use so we encourage you to visit this page periodically to review any changes.
